I desire that insofar as possible all [REDACTED] vacancies in [REDACTED] be filled from the [REDACTED] staff with assignments being offered in order of arrival dates on [REDACTED]. This will require one [REDACTED] from [REDACTED] about May 1951 to replace [REDACTED], one [REDACTED] about June 1951 to replace [REDACTED], and a third [REDACTED] about August 1951 to replace [REDACTED].

In view of the possible uncertainty of the quarters situation in [REDACTED] I believe that final selection of [REDACTED] for above transfers must be deferred until about 1 March 1951. However you should study this matter and bring it to the attention of your [REDACTED] staff in order that selections may be made promptly at that time.

Please acknowledge receipt of this letter by wire immediately and ascertain that both [REDACTED] and this office are appropriately advised on or about 1 March 1951.

Sincerely,
